

MONTROSE

HEALTH GROUP

INTRODUCTION

A bespoke private health service designed for HNW individuals and their families.

We treat a range of psychological issues, mental illnesses, and addictions.

Designed by best-in-class experts to deliver robust residential and home-based treatment services within a CQC framework.

Uniquely crafted clinical care plans for adults 18+ and psychological assessments and therapeutic services for children and adolescents aged 8+.

Providing discreet one guest or one family at a time programmes.
